Dear Geoff, Rick, Sharon, Ted, Bob, Kevin, Randy and Sam-

CRANBROOK
SCHOOLS
BROOKSIDE

Head

At lunch today, Monday, December 6th, Victor a first grader at my table, said that he liked the Sorcerer's Apprentice best of the music you played for our Brookside kids Friday past. I was amazed that a first grader would remember something like that over a busy, fun-filled weekend.

Clearly, the CutTime players made a Brobdingnagian impression on our Brookside students last week. To a child, and I have spoken with hundreds, they loved your performance. They liked the pieces you played and your stories about how each of you began your musical careers. Our instrumental teachers reported to me that your comments about practice were music to their ears.

You put on a great show that is both entertaining and educational. I believe that outreach efforts such as yours will help to educate the next generation of symphony goers to appreciate the wonderful music that the DSO shares with the greater community.

Thanks again for visiting Brookside and performing for our young students.

On behalf of Brookside students and faculty,

Sincerely,

Brian Schiller, Ph.D.
